I have the honour to state that the Municipal Council, Chickballanur town have resolved at their meeting held on 30th May 45 that a contribution of Rs. 10/- per month may be paid out of the Municipal funds toward the expenditure of Godari Samaja at the place. It is clear from the resolution, a copy of which is enclosed in the records, that the proposed grant may be paid from June 1945 and it is also seen from the sanctioned budget estimates of the Municipal Council that due provision was made for the payment of the contribution during the years 1945-46 and 1946-47 with specific observation that these contributions should not be paid without obtaining previous sanction of Government. Sanction of Government has not yet been obtained and the Secretary of the Godari Samaja has been pressing for the payment of the Municipal contribution to meet their heavy expenditure of the Samaja. As the Samaja in question has been started in the interests of local women and children, I request that sanction of Government may kindly be obtained to contribute a sum of Rs. 10/- per month from June 1945. The President has been requested to include the arrears of contribution due to the Samaja in the current year's budget along with the current year's contribution.
